It would be very helpful to the Trustees if you would give as full an explanation as possible of the purpose of any equipment and of the local need which it will meet.

APPLICATION FOR A GRANT

1. Purpose for which Grant is requested – please list all equipment included in the grant application:

2. Cost - Please enclose estimate or confirm that it will be supplied
Is this a one off cost or a recurring cost ?

3. Would this equipment normally be funded by the NHS?
If so, why has the NHS refused to fund it ?
If not, what other sources of funds have you explored ?

4. What will be the real benefits / impact to the patients and over what timescale?

5. Is there a mechanism for measuring outcome of use of this equipment or project ?

6. What are the risks of using this equipment that have been considered ?

7. If we were to fund your Grant Application would you consent to us advertising that we have assisted you in this way ?

Please note that no grant will be made unless the applicant signs an undertaking in the form recommended by the Attend (formerly the National Association of Hospital & Community Friends) concerning the use and ownership of the equipment and, under some circumstances, the return of its current value.
